The New York Times and Washington Post bestseller that changed the way millions communicate "[Crucial Conversations] draws our attention to those defining moments that literally shape our lives, our relationships, and our world. . . . This book deserves to take its place as one of the key thought leadership contributions of our time." —from the Foreword by Stephen R. Covey, author of The 7 Habits of Highly Effective People "The quality of your life comes out of the quality of your dialogues and conversations. Here's how to instantly uplift your crucial conversations." —Mark Victor Hansen, cocreator of the #1 New York Times bestselling series Chicken Soup for the Soul® The first edition of Crucial Conversations exploded onto the scene and revolutionized the way millions of people communicate when stakes are high. This new edition gives you the tools to: Prepare for high-stakes situations Transform anger and hurt feelings into powerful dialogue Make it safe to talk about almost anything Be persuasive, not abrasive

A stunning approach to how individuals can not only change their lives for the better in the workplace, but also their lives away from the office, including (but not limited to) finding ways to improve one's working relationship with others, one's overall health, outlook on life, and so on. For example, why is it that 95% of all diet attempts fail? Why do New Year's Resolutions last no more than a few days? Why can't people with good intentions seem to make consistent and positive strides? Based upon the latest research in a number of psychological and medical fields, the authors of Change Anything will show that traditional will-power is not necessarily the answer to these strivings, that people are affected in their behaviors by far more subtle influences. Change Anything shows how individuals can come to understand these powerful and influential forces, and how to put these forces to work in a positive manner that brings real and meaningful results. The authors present an array of everyday examples that will change and truly empower you to reexamine the way you go about your business and life.

Offering the tools for improving relationships in the workplace and in life; this book teaches you how to deal with violated expectations in a way that solves the problem at hand without harming the relationship—and, in fact, even strengthens it. --

Many people think leadership is a higher calling that resides exclusively with a select few who practice and preach big, complex leadership philosophies. But as this practical book reveals, what's most important for leadership is principled consistency. Time and again, small things done well build trust and respect within a team. Using stories from his time at Netscape, Apple, and Slack, Michael Lopp presents a series of small but compelling practices to help you build leadership skills. You'll learn how to create teams that are highly productive, highly respected, and highly trusted. Lopp has been speaking and writing about this topic for over a decade and now maintains a Slack leadership channel with over 13,000 members. The essays in this book examine the practical skills Lopp learned from exceptional leaders—as a manager at Netscape, a senior manager and director at Apple, and an executive at Slack. You'll learn how to apply these lessons to your own experience.

Keep your cool and get the results you want when faced with crucial conversations. This New York Times bestseller and business classic has been fully updated for a world where skilled communication is more important than ever. The book that revolutionized business communications has been updated for today's workplace. Crucial Conversations provides powerful skills to ensure every conversation—especially difficult ones—leads to the results you want. Written in an engaging and witty style, the book teaches readers how to be persuasive rather than abrasive, how to get back to productive dialogue when others blow up or clam up, and it offers powerful skills for mastering high-stakes conversations, regardless of the topic or person. This new edition addresses issues that have arisen in recent years. You'll learn how to: Respond when someone initiates a crucial conversation with you Identify and address the lag time between identifying a problem and discussing it Communicate more effectively across digital mediums When stakes are high, opinions vary, and emotions run strong, you have three choices: Avoid a crucial conversation and suffer the consequences; handle the conversation poorly and suffer the consequences; or apply the lessons and strategies of Crucial Conversations and improve relationships and results. Whether they take place at work or at home, with your coworkers or your spouse, crucial conversations have a profound impact on your career, your happiness, and your future. With the skills you learn in this book, you'll never have to worry about the outcome of a crucial conversation again.

Practical advice for interacting with toxic personalities. At one point or another, you'll encounter someone who is inconsiderate, irate, or aggressive and you'll need to know how to effectively manage the situation. Handling Difficult People helps you deal with the toxic personalities in all areas of your life, including in the workplace, at home, and during everyday interactions. Inside, you'll find the strategies and tools you need to spot the ten most common personality types and information on why these people behave in such an irritating manner. This book also teaches you what you should do when you're confronted by a difficult person as well as how to avoid these types of people altogether. With the time-tested advice and techniques in Handling Difficult People, you'll confidently manage any toxic situation—and learn what you can do to help yourself.

Everyone wants to be an influencer. We all want to learn how to help ourselves and others change behavior. And yet, in spite of the fact that we routinely attempt to do everything from lose weight to improve quality at work, few of us have more than one or two ideas about how to exert influence. For the first time, Influencer brings together the breakthrough strategies of contemporary influence masters. By drawing from the skills of hundreds of successful influencers and combining them with five decades of the best social science research, Influencer shares eight powerful principles for changing behaviors principles almost anyone can apply to change almost anything.

Best practices for using accountability, trust, and purpose to turn your long-term vision into reality Accountability explains why the "carrot-and-stick" approach doesn't work—and describes how to build and sustain a culture based on shared beliefs, positive action, and internal leadership development. The author's conclusions are based on data resulting from his work with more than 3,000 executives worldwide, plus exclusive interviews with Fortune's Most Admired Companies and Best Places to Work. Greg Bustin has written a monthly bulletin about leadership and accountability that goes to more than 4,000 managers/executives. He speaks about 50 times per year in the U.S., Canada, and the UK and is one of the top-rated Vistage speakers. He also gives workshops and webinars on planning, execution, and accountability to business owners and leaders in the U.S. and Canada.
