Fighting Love is a friends to lovers story that spans decades. I loved the friendship between Tommy "Lightening" Sparks and Julie Rogers but what I loved more was that they both has a love for each other that exceeded friendship, it just took awhile for them to realize it was something they both wanted.

What you are willing to do to protect your loved ones? Kailey Ross is twenty-one years old. She abandons her old life and decides to enroll in college to take revenge for her brother Tayler, unsuspecting that new friendships will soon become important, and that a kiss, given without feelings or sex without commitments, can become a double-edged sword. With love, in fact, we get hurt and lose focus on the initial

goals. Nick Scott is a troubled boy, allergic to feelings, with a past more difficult than the present, and responsibilities that burden too much for his young age. Attraction often annihilates the mind, one kiss always follows another, as well as lies, but love is an unusual feeling, sometimes it changes us, often it makes us better. It teaches us to fight, simply to be happy.

The strapping, sun-kissed Littleton brothers of Crestler's Key are hometown boys in every way, farming land that's their family's legacy. But these sexy bachelors won't stay single for long... Single dad Zac Littleton has always tried to make lemonade from life's lemons, and striking a bargain with Sophie Marsh is no different. A relative newcomer to town, she needs his help convincing the locals to try her Fresh Foods Organics produce—and Zac needs to satisfy his preteen daughter's pleas to get out and have fun. Fake-dating Sophie will kill two birds with one stone, at least for a while—unless he gets addicted to the sweet pleasure of his beautiful competitor's company... Sophie can't stand Zac. Or maybe she simply can't stand Littleton Farms beating her in sales every week. It's true that pretending interest in Zac and his sculpted biceps and devilish smile is a lot easier than she expected, and much more tempting, too. But despite their all-natural attraction, Sophie's past has left her wary of any man—even one as charming as Zac. Besides, he's got trust issues of his own. If anything real can blossom between them, it's going to take a whole lot of patience, persistence...and passion. Praise for Melissa West's *Racing Hearts* "An emotional story filled with heart, humor, and second chances, *Racing Hearts* is a love letter to small towns, southern pride, and the heartbeat of all tight communities—its strong families. Dante "Inferno" Jones is used to winning in the ring. But when the MMA fighter meets pretty Caitlyn Moore, he seems to be striking out left and right. He's intrigued by the sharp-tongued beauty. She's a challenge he can't resist. Cait doesn't get it when the ultra-masculine Dante walks into her life and expresses an interest in her. Sure, she's shed eighty pounds and her confidence is building, but there's nothing spectacular about her. Certainly not enough to hang onto a ripped babe-magnet like Dante, whose violent profession, catty groupies, and cruel competitors are already making her life a living hell. Dante's light-hearted pursuit quickly becomes a battle to win her heart as they find themselves thrown together again and again—and it's affecting his training. Cait won't let him lose the biggest fight of his career because of her, but when her plan to keep him focused lands her in the dangerous clutches of Dante's vicious opponent, there is more at stake than just the championship belt.
