## **Three Models of Organizational Development**

French and Bell's definition of OD focuses on it being a systematic process for applying behavioral science principles and practices in organizations to increase individual and organizational effectiveness (1999).

## **Organization Development and Organizational Behavior**

Wendell L French and Cecil Bell defined organization development (OD) at one point as "organization improvement through action research". If one idea can be said to summarize OD's underlying philosophy, it would be action research as it was conceptualized by Kurt Lewin and later elaborated and expanded on by other behavioral scientists.
