Machinery's Handbook 29 (free version) download for PC

I love this Book. This edition is way thicker than the 28th was, and more so even than 29, which was an Anniversary Issue. Luckily I usually skip a couple editions each time it's time to repurchase. And boy am I glad I didn't get the 29th!!! This is the BIBLE as far Machinery's Handbook editions are concerned.

The 1914 Editions The Editors at Industrial Press had no idea how successfully the Handbook would be. The first printing of 10,000 titled First Edition was sold out in the first month. Second through fourth printings were produced in 1914 and subsequently titled "editions" even though the only change was the title page (declaring the printing an "edition") and preface (commenting on the ...
