Rita Dove: V'The Darker Face of the Earth" in Columbus, Ohio**Mother Love Rita Dove**

Rita Dove manages to elevate the sonnet, effortlessly. With mythology at her disposal, she weaves a narrative that is equal parts contemporary, historic and elegy. A reimagining of the tale of Demeter, Persephone and Hades. Ms. Dove charts lust along the wheel of history right along with grief, longing, and dread.

**Mother Love by Rita Dove—Goodreads**

Rita Dove's Mother Love combines contemporary existence with ancient Greek mythology, taking the reader through a cynical, optimistic, honest view of what it means to not only be a woman/ daughter/ mother in contemporary society but also during the height of Greek society. Dove's magic comes in the subtle allusions her poems possess.

Mother Love. In this collection, Rita Dove takes the characters of Demeter and Persephone out of the realm of Greek myth and places them in settings as various as Arizona, Mexico, and a bistro in Paris. This modern retelling of the classic mother-daughter tale, written in a verse-cycle of seven sections, is presented, according to Dove, "in homage and as counterpoint to Rilke 's Sonnets to Orpheus .".

Post 7 – The Structure of “Mother Love”. I like how Rita Dove has structured this collection of poems. It develops the ideas of maturity/growing up and mother-daughter relationships through the allusion to Persephone and Demeter, which gives the reader an example to apply Dove's ideas to. The collection begins with the foreword, which familiarizes readers with the story of Persephone, Hades, and Demeter in case readers are unfamiliar with it.

Finalist for the 2016 National Book Award Finalist for the 2017 NAACP Image Award Three decades of powerful lyric poetry from a virtuoso of the English language in one unabridged volume, Rita Dove's Collected Poems 1974–2004 showcases the wide-ranging diversity that earned her a Pulitzer Prize, the position of U.S. poet laureate, a National Humanities Medal, and a National Medal of Art. Gathering thirty years and seven books, this volume compiles Dove's fresh reflections on adolescence in The Yellow House on the Corner and her irreverent musings in Museum. She sets the moving love story of Thomas and Beulah against the backdrop of war, industrialization, and the civil right struggles. The multifaceted gems of Grace Notes, the exquisite reinvention of Greek myth in the sonnets of Mother Love, the troubling rapids of recent history in On the Bus with Rosa Parks, and the homage to America's kaleidoscopic cultural heritage in American Smooth all celebrate Dove's mastery of narrative context with lyrical finesse. With the "precise, singing lines" for which the Washington Post praised her, Dove "has created fresh configurations of the traditional and the experimental" (Poetry magazine).

Gathers poems about slavery and freedom, home and family, and the past by America's youngest poet laureate

Poetry celebrates America's cultural heritage with pieces about such topics as World War Fs African-American jazz band, a Harlem girl's examination of adult flirting behaviors, and the first African-American Oscar winner.

Collects poems that tell a fictionalized version of the lives of the author's maternal grandparents.

A dazzling new collection by the former Poet Laureate of the United States. In these brilliant poems, Rita Dove treats us to a panoply of human endeavor, shot through with the electrifying jazz of her lyric elegance. From the opening sequence, "Cameos", to the civil rights struggle of the final sequence, she explores the intersection of individual fate and history.

A piercing, unflinching new volume offers necessary music for our tumultuous present, from "perhaps the best public poet we have" (Boston Globe). In her first volume of new poems in twelve years, Rita Dove investigates the vacillating moral compass guiding America's, and the world's, experiments in democracy. Whether depicting the first Jewish ghetto in sixteenth-century Venice or the contemporary efforts of Black Lives Matter, a girls' night clubbing in the shadow of World War II or the doomed nobility of Muhammad Ali's conscious objector stance, this extraordinary poet never fails to connect history's grand exploits to the triumphs and tragedies of individual lives. Meticulously orchestrated and musical in its forms, Playlist for the Apocalypse collects a dazzling array of voices: an elevator operator simmers with resentment, an octogenarian dances an exuberant mambo, a spring cricket philosophizes with mordant humor on hip hop, critics, and Valentine's Day. Calamity turns all too personal in the book's final section, "Little Book of Woe," which charts a journey from terror to hope as Dove learns to cope with debilitating chronic illness. At turns audaciously playful and grave, alternating poignant meditations on mortality and acerbic observations of injustice, Playlist for the Apocalypse takes us from the smallest moments of redemption to catastrophic failures of the human soul. Listen up, the poet says, speaking truth to power; what you'll hear in return is "a lifetime of song."

Presents an introduction to the poetry of the Pulitzer Prize winning Rita Dove, who was the first African American poet laureate of the US. Charting Dove's evolution as a poet, this title offers analyses of her artistic development, bringing to light the musical sense of form and expression of history that permeates her work.
