Rubrics. A rubric is a way of assessing work that lists the criteria for evaluating a student's work (for papers this might be: organization, use of evidence, etc.) and also explains the differences in quality in each criterion (Andrache). Since most of our students have never read a philosophy paper before, let alone written one, it is hardly surprising that they don't know what makes a paper good or bad.

Of disappointment to some students and relief to others is the limited role of your own personal philosophy in your philosophy papers. Many students come into philosophy thinking that it will be a forum for talking about the students own personal philosophy, their thoughts and feelings on the world in general, their relationship with others, etc.
