By Dan Gookin . It's really a heck of a gizmo, so much so that a major fruit company has sued Samsung over its marvelous Galaxy Tab 10.1. That fact plays to no audience here, because though it may be marvelous and lawsuit-worthy, the Galaxy Tab is still a complex piece of electronics in need of gentle hand-holding and careful explanation.

An introduction to the tablet computer covers such topics as personalizing settings, voice commands, social networking, sharing and printing photos, and video chatting.

The design of the new Samsung Galaxy Tab A 2019 has changed a lot compared to its previous generations. It now sports an Android 9.0 Pie and a host of other cool features to give you the most experience. For instance, there's no more lower home, back, and recent buttons as they are now being replaced by an on screen design. Also, there is no flash for the camera, which means you have to know how to explore this feature so you can get the most of the camera settings. Whether you have just both the new Samsung Galaxy Tab A 10.1", or the Tab A 8.0" or the Tab A 10". you're probably exploring all the cool features this beautiful tablet has to offer. This guidebook will help you learn how to get more from your Samsung Galaxy Tab A device whether it is the, 8", or 10.1-inch or 10. 5" model. Navigate your phone Use mobile data technology Send and receive messages Have fun with apps If you're baffled by the documentation and online support that comes with your phone, your solution is here!

Cet ouvrage constitue le huitième volume de la collection propriété intellectuelle - intellectual property (www.pi-ip.ch). Il rassemble les contributions qui ont été rédigées à l'occasion de la Journée de Droit de la Propriété Intellectuelle (www.jdpi.ch) organisée le 5 février 2015 à l'Université de Genève sur le thème « Le droit du design / Design Law ». Il ne fait pas de doute que l'apparence extérieure des produits qui nous entourent est susceptible d'exercer une force d'attraction importante, voire une fascination sur le public des consommateurs. Preuve en est la valeur phénoménale progressivement acquise par une firme californienne à la désormais célébrisissime pomme - qui était, il faut le rappeler, au bord du gouffre il y a quelques années -. Cette firme a en effet su inventer ou réinventer des produits technologiques à destination de tous à la ligne épurée et attractive, qu'il s'agisse de téléphones, de tablettes ou d'autres produits électroniques. Il est certes clair que l'attractivité de ces produits ne tient pas exclusivement à leur apparence, mais également à leur convivialité et fonctionnalités technologiques. On ne peut toutefois pas douter que leur « look » y contribue aussi (largement). Il n'est dès lors pas surprenant que nombre d'entreprises dans des secteurs et industries très variés consacrent d'importantes ressources et leur énergie créatrice à développer des produits au design unique, destiné à les distinguer de ceux de leurs concurrents. Comment le droit du design peut-il dès lors protéger cette créativité des produits et à quelles conditions ? Juger du pouvoir d'attraction de la forme d'un produit n'est pas tâche aisée. C'est en somme tenter de faire écho sur le plan légal à la phrase du célèbre designer Milton Glaser : « There are three responses to a piece of design : yes, no and ... WOW. WOW is the one to aim for ». Pour explorer le domaine évolutif du droit du design, les auteurs des remarquables contributions qui composent ce livre se sont penchés sur diverses facettes de la thématique en droit international et national. Qu'ils soient chaleureusement remerciés pour leur précieux travail et que M. Pierre Heuzé qui s'est chargé des tâches d'édition du livre trouve ici aussi l'expression de ma vive reconnaissance.

The 6th edition of Principles of Marketing makes the road to learning and teaching marketing more effective, easier and more enjoyable than ever. Today's marketing is about creating customer value and building profitable customer relationships. With even more new Australian and international case studies, engaging real-world examples and up-to-date information, Principles of Marketing shows students how customer value-creating and capturing it-drives every effective marketing strategy. The 6th edition is a thorough revision, reflecting the latest trends in marketing, including new coverage of social media, mobile and other digital technologies. In addition, it covers the rapidly changing nature of customer relationships with both companies and brands, and the tools marketers use to create deeper consumer involvement.
