A three-day lesson guided reading lesson plan comes in handy, especially in second grade. Texts in levels K, L, and M start to get longer and more complex. If you implement a 3 day guided reading lesson plan, you`ll have more time to let students read the text. Some other benefits of a three-day lesson plan are: exposure to a text more than once; more time to complete each element of guided reading

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of Guided Reading, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with Guided Reading, Second Edition, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Intended for K-3 classroom teachers, explains how to create a balanced literacy program based on guided reading and supported by reading aloud, shared reading, interactive writing, and other approaches.

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent

Jan Richardson s highly anticipated update to the classic bestseller The Next Step in Guided Reading helps you and your students move forward."

Solve the riddles to find the runaway gingerbread men in this funny and magical cookie hunt! Marshall knows one thing for sure, despite what all the stories say: Gingerbread men cannot run. Cookies are for eating, and he can't wait to eat his after spending all morning baking them with his class. But when it's time to take the gingerbread men out of the oven . . . they're gone! Now, to find those rogue cookies, Marshall and his class have to solve a series of rhyming clues. And Marshall just might have to rethink his stance on magic. Catch That Cookie! is an imaginative mystery, deliciously illustrated by Caldecott Medal winner David Small. It's sure to inspire a new classroom tradition . . . and maybe even a few new believers!

Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

This scrumptious New York Times bestseller has a whole lot of kick! Dragons love tacos. They love chicken tacos, beef tacos, great big tacos, and teeny tiny tacos. So if you want to lure a bunch of dragons to your party, you should definitely serve tacos. Buckets and buckets of tacos. Unfortunately, where there are tacos, there is also salsa. And if a dragon accidentally eats spicy salsa . . . oh, boy. You're in red-hot trouble. The award-winning team behind Those Dam Squirrels! has created an unforgettable, laugh-until-salsa-comes-out-of-your-nose tale of new friends and the perfect snack.
