A flashing service engine soon light is telling you that something needs immediate attention.

Ford F150 Service Engine Soon Light - Diagnosis -

Service Engine Soon Light Meaning. If the ' Service Engine Soon ' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Service Engine Soon Light [How to fix it?] Meaning & Causes

If the Service Engine Soon indicator light stays lit after you ' ve started the engine, the On Board Diagnostics system (OBD) has detected a malfunction of the vehicle emissions control system. Contact your authorized dealer as soon as possible. If indicator light is blinking, an engine misfire may be occurring, which could damage your catalytic converter.
