As with the other books, I really like the Demonsouled stories and characters. However, as with all of the other books, this one lots of grammatical errors and typos. I love the books enough to read through the mistakes, but I do wish the author would do something about them.

Best Demonsouled Books. The Demonsouled books are very simple straightforward novels that sometimes harken back to the fantasy fiction of the 80s and 90s, with some of the best books in the series including: Soul of Skulls: No one ever said that leadership was easy, and Mazael knows that better than most. Now the lord of the Grim Marches, it is up to Mazael to keep his people safe from the undead armies that seek to overrun his kingdom.
