\* All our students have access to our interactive online course, available 24 hours a day. \* Our classes are supervised and evaluated by the director of Spanish Is Fun, Silvia Cubillos Velez. Our Mission: Spanish is Fun offers a refreshing approach to acquiring a second language, without the frustration and fear common to learning a new language.

Delightful stories, other material based on works of Don Juan Manuel, Luis Taboada, Ricardo Palma, other noted writers. Complete faithful English translations on facing pages. Exercises.

An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Spanish for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary · Controlled language at your level, including the 1000 most frequent words, to help you progress confidently · Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Pleasur! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' · Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including · A glossary for bolded words in each text · A bilingual word list · Full plot summary · Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in Spanish for Beginners will make learning Spanish easy and enjoyable.

To provide a basal text for a full second course in Spanish and prepare students for their first formal proficiency test.

NEW EDITION!!Well... it seems that these animals don't want to take their medicine! But step by step, each one discovers that taking medicine is very important for the animals, as well as for the children!A funny way to learn and a funny way to teach. As everyone knows how difficult it can be to explain to young children how important it is to take medicine.....THE BOOK OF THE ANIMALS:FUN LEARNING FOR CHILDREN AND PARENTSWhat are certainly the most occurring moments in a parent's life? When their child doesn't want to wash, eat, sleep, go to school, share, take medicine, get vaccinated... And what can a parent answer to these refusals?The successful "Book of The Animals" bilingual children's books series was created with the aim to help both parents and children to discover the benefits of washing, eating, sleeping, going to school, sharing, taking medicine, getting vaccinated... in a fun as well as educational manner. Since the books are also bilingual, parents will enjoy the teaching and the interactivity they can gain from reading them with their children.THE AUDIENCEThe books are geared towards children aged 2-5, before elementary/primary school.They will likely be bilingual children whose parents want to encourage the learning of their two current languages.They will also be children whose parents want to teach a language at a young age.Some teachers have also been using the books of the series as a way to teach a second language to children, with themes easy for them to both understand and memorise.THE CURRENT BOOKSThere are currently seven books in the series.Each episode brings on new animals, new words, new situations and new stories.- Ep.1. "These Animals... Don't Want to Wash!" (2008)- Ep.2. "These Animals... Don't Want to Eat!" (2009)- Ep.3. "These Animals... Don't Want to Sleep!" (2010)- Ep.4. "These Animals... Don't Want to Go to School!" (2011)- Ep.5. "These Animals... Don't Want to Share!" (2011)- Ep.6. "These Animals... Don't Want to Take their Medicine!" (2012)- Ep.7. "These Animals... Don't Want to Get Vaccinated!" (2012)The books are all available in either bilingual or monolingual versions:- Bilingual versions: English-French, English-Portuguese, English-Italian, English-Spanish, English-Swedish, English-Creole, English-Japanese...More versions still to come!Check out the official website: www.TheBookOfTheAnimals.comREVIEW"The Book of the Animals is a planned series of illustrated books for young children. [...] These delightful books tell the story of what happens when the animals in the stories, like many young children, don't want to eat and don't want to wash...The books are very suitable both for reading to young children and for older children to use to learn to read in both languages. They might even persuade them to wash and eat their dinner!The repetitive structure is supportive of children learning new words and the illustrations work well alongside the text to help understanding of unfamiliar words.I can easily imagine young children demanding repeat readings and enjoying learning the text by heart as many children do with favourite stories. Children learning to make up and write their own stories might well want to write a personalised version, using the structure as a prop.I think the stories would work well both in the home and in the classroom."(Review published in The Cass School of Education, by Dr Raymonde Sneddon, Research Fellow for "The Cass School of Education" at the University of East London, and Honorary Research Fellow of Birkbeck College, in the Department of Applied Linguistics)SUPPORTThe Book of The Animals' series is supported & recommended by ABRIR UK, a Brazilian Association for Educational Projects in the United Kingdom. www.Abrir.org.ukOfficial website: TheBookOfTheAnimals.com

Choose the children's language course trusted by other moms and dads. The Parents' Choice award winning-language program will get your child speaking French while having fun! Listen how to use Spanish verbs correctly with help from an audio answer key in this enhanced ebook! The ideal reference/workbook for beginning to intermediate Spanish-language learners, Practice Makes Perfect: Spanish Verb Tenses shows you when and why to use certain verb tenses and gives you plenty of examples, increasing your confidence in choosing the right word. The book provides a systematic presentation and review of Spanish verb forms and explains when and why a certain verb tense should be used. Practice Makes Perfect: Spanish Verb Tenses includes an impressive number of exercises and open-ended questions, numerous conjugation charts, a list of verbs and their prepositions, and Spanish-English and English-Spanish vocabulary lists. Plus, this enhanced e-book includes an easy-to-use audio answer key for all of the exercises.

Presents a humorous introduction to Spanish words through illustrations and rhyming text about a visit to the circus

Spanish Alphabet Book for Kids is a great book for children in learning alphabets by exploring colorful illustrations of Alphabets and various objects like A is for AMBULANCIA, B is for EL BALÓN, C is for LA CEREZA, D is for EL DULCES, E is for EL EXCAVADORA, F is for LA FLOR, G is for GRUA, H is for HELICÓPTERO, I is for LA IGUANA and many more.. Spanish ABC is a picture book and perfect for parents if they have small kids at home who are going to start school, because it makes learning easy, fun, and interesting. It is a good book for teachers and educators to introduce the alphabets and new words to children in classrooms, and parents and grandparents can read it out to their children and grandchildren at bedtime. Learning is fun from A to Z! Enjoy more books from the ABC Book series by Sachin Sachdeva: ABC Book of Things That GoABC Book of Animals.
