their lives in amazing ways, in a book that teaches inner spiritual work, rather than religiosity or dogma, and is structured around the key themes of transformation, peace, abundance, and more. Original.

Why have you been given this singular treasure that is your life—and how will you use it? What is the purpose for the unique blend of gifts, skills, experiences, and perspectives that you alone possess? To support you in answering these questions and living in sync with your inner calling, Michael Bernard Beckwith presents *Life Visioning*—an essential companion for anyone seeking to accelerate their spiritual evolution. Here he offers his complete *Life Visioning Process*—transformational technology for applying deep inquiry and spiritual practice to enable the growth, development, and unfoldment of your soul. Join him to learn more about: The four stages of consciousness: Victim, Manifester, Channel, and Being—the characteristics of each stage, and how we move through them The dance of co-creation—establishing the balance between effort and surrender Applying the *Life Visioning Process* in all of your life structures, including relationships, finances, livelihood, and spiritual practice “When your thoughts and actions begin to align with the imperatives of your soul,” explains Beckwith, “you enroll the full support of the universe. Unimagined possibilities begin to open up as you synchronize

with the divine.” In this book, you will discover an unparalleled method for navigating every stage of your evolutionary journey—and fulfilling your highest calling as only you can.

Activate the raw power of your subconscious to create the life you’ve always wanted, using six essential lessons from one of the world’s most renowned hypnotherapists in this “nourishing and healing book” (Michael Bernard Beckwith, author of *Spiritual Liberation*).

Unsatisfying careers. Volatile, unhealthy relationships. Unfulfilled dreams. Too many of us are living lives that fall short of what we truly desire. But as celebrity hypnotist Kimberly Friedmutter explains in this life-changing book, not only is it possible to design the life of your dreams, but the power to do so already lies within you, in your subconscious mind. The subconscious is the root of your true power and desire; it’s your inner child, your authentic self. It is the honest compass that will lead you to a life of happiness, so long as you are able to follow its direction. We all have the power to access it but as we grow up we’re taught to stop daydreaming and to follow society’s rules, which makes us disconnect from our subconscious, often with tragic results. In *Subconscious Power*, Kimberly guides you through six principles that bring your conscious mind in line with your subconscious desires. She shares practical,

three-minute exercises that will help you transform your relationships, find true love, lose weight after years of struggling with the scale, overcome addictions, and achieve new career successes and heights. Featuring inspiring success stories and the practical tools you need to make meaningful change, Subconscious Power gives "you a pathway to achieve your goals and dreams in an effective and easily understandable manner. This book will improve your life in ways you never thought of" (David Zelon, producer of Soul Surfer).

heart-warming, courageous book, offering pages of wisdom, guidance, and hope to all who are grieving unbearable loss.” ?Trudy Goodman, founder of InsightLA How inspired qualities and affirmations helped one mother honor her loved one, cope with grief, and give grief meaning. Help through the mourning process using self-healing methods. How do you make sense of loss and tragedy? After the sudden and devastating loss of her infant daughter, Lily Dulan (a marriage and family therapist, psychotherapist and certified yoga teacher) meditated, prayed, and ruminated on the only thing she had left-her baby girl’s name. In Lily’s courage to address and move through her pain, she developed a cross pollination of proven psychological modalities, 12-step wellness tools, spiritual healing applications, meditations, and ancient yoga self-help processes she called “The Name Work”. In her heartfelt memoir, Lily shares her healing journey and her method for unleashing the power in names and giving them special meaning to help move through the grief process in a thoughtful and transformative way. What’s in a name? Meanings! The Name Work method teaches you how to assign special meaning and qualities to the letters in names—a deceased loved one’s or your own—and how to create positive affirmations for each letter’s attribute. It is a tangible and personal self-healing method for whatever obstacles arise; a unique, new wellness tool for healing and self-discovery. The Name Work also

The Ancient Secret to Longevity, Vitality, and Life Transformation

As a man thinketh, so is he—thus is the biblical King Solomon often quoted by proponents of New Thought, one of the most influential native religious movements in America. Albert Amao provides an engaging and serious history of this and related movements from the eighteenth century to the present. His discussion ranges from Phineas

P. Quimby, the father of New Thought, and Mary Baker Eddy, founder of Christian Science, to Myrtle Fillmore, cofounder of Unity Church of Christianity, William James, the father of American psychology, and leaders in the emerging field of Energy Psychology. Amao's aim is to provide a rational explanation of the power of thought to heal the mind and body. All methods of mind/spiritual healing are self-healing, he says; we all have an inner capacity to heal ourselves. He examines cases of contemporary New Thought leaders who self-healed from "incurable" diseases free of medicine, and he describes the mechanism that triggered their healing. Their experiences have benefited millions of followers worldwide. The beauty of New Thought, says Amao, is that it empowers us to become conscious co-creators of our well-being and achieve success in other areas of life beyond recovering our health.

In *A Daily Sip of Joy and Peace*, Eleanor Hooks assures us that joy and peace are always present in our lives, in spite of daily challenges and failed attempts to make sense out of the pain and suffering. Each daily essay is a sip -- a small, soothing elixir much like a calming cup of tea. With the author's guidance, we explore our relationship with a powerful presence; learn the importance of kindness and compassion; appreciate and honor all livings things; and set aside all

worries and fears. We explore what it means to work with integrity, and to value the creative energy we all have within us. We learn to notice how love shows up for us and through us, and to ultimately become aware that nothing is lacking in our lives. Eleanor Hooks shares lovingly her insights into the nature of joy and peace, and invites you to enjoy the daily sips.
