Superheroes and Philosophy: Truth, Justice, and the ...

Philosophy literally means "lover of wisdom". One is not accustomed to thinking of superheroes such as Batman, Superman, Spider- Man and the X-Men as "philosopher kings/queens" but notwithstanding the popular disdain for comic book characters and the films derived or inspired by them, they DO raise important questions about authority, justice, morality and other tropes of right and wrong!

Superheroes and Philosophy: Truth, Justice, and the ...

Superheroes and philosophy : truth, justice, and the ...

When the law fails justice, as it sometimes does, Batman supersedes the law so as to restore the balance between justice and the law, crime and crime-fighting. But if Batman does this to excess or irrationally, then he undermines and destroys the whole concept of justice under law.
