However, in the case of Habermas and Ratzinger's dialogue, one could say that the subject of their talk (on secularization's dialectic with religion) is really the form of their interaction. These two authors come from two very different starting points with regard to the state, although no dialectic is undertaken without a uniting point, even ...

And Religion comprised of two papers presented in January 2004 concerning “the pre-political moral foundations of a free state.” In these papers, Jürgen Habermas and Pope Benedict XVI reflect on the basis for ethics in society. Today, I wish to briefly summarize the main themes of the Habermas / Ratzinger dialogue.

The Pope vs. Habermas: Reason & Religion in Secular Society

As Hegel says, dialectics is “the principle of all natural and spiritual life” (SL-M 56; SL-dG 35), or “the moving soul of scientific progression” (EL §81).

Dialectics is what drives the development of both reason as well as of things in the world. A dialectical reason can overgrasp a dialectical world.

Secularization: Definition and Examples - ThoughtCo

In sociology, secularization is the transformation of a society from close identification with religious values and institutions toward nonreligious values and secular institutions. The secularization thesis expresses the idea that as societies progress, particularly through modernization and rationalization, religious authority diminishes in all aspects of social life and governance. As a second meaning, the term "secularization" may also occur in the context of the lifting of monastic restrict
