_____ 'A history book that should be read by all' - Stylist. Set against the background of the campaign for women to win the vote, this is a story of the ordinary people effecting extraordinary change. 1913: the last long summer before the war. The country is gripped by suffragette fever. These impassioned crusaders have their admirers; some agree with their aims if not their forceful methods, while others are aghast at the thought of giving any female a vote. Meanwhile, hundreds of women are stepping out on to the streets of Britain. They are the suffragists: non-militant campaigners for the vote, on an astonishing six-week protest march they call the Great Pilgrimage. Rich and poor, young and old, they defy convention, risking jobs, family relationships and even their lives to persuade the country to listen to them. Fresh and original, full of vivid detail and moments of high drama, Hearts and Minds is both funny and incredibly moving, important and wonderfully entertaining.

Since the seventh century, the Hajj, or Great Pilgrimage to Mecca, has been a lifelong goal of devout Muslims throughout the world. Egyptian pilgrims traditionally celebrate their sacred journey by commissioning a local artist to depict their religious odyssey on the walls of their homes. This book shows the richness and variety of this naive art form covering images from towns, villages, and isolated farm communities along the Nile, across the Delta, down the Red Sea coast, and into Sinai. On the walls of buildings ranging from alabaster factories to mud-brick farmhouses they found brilliant murals illuminated by the desert sun, portraying beloved icons of the pilgrims' faith and scenes from the Qur'an.

A spectacular photographic tour of the greatest European pilgrimage sites, from Canterbury to Santiago de Compostela.

Ten great historic pilgrim routes of Western Europe, inspiration for today's long distance walker. Pilgrimage in Europe is thriving on a massive scale. This century the cathedral at Santiago de Compostela alone has seen 40 times the number of pilgrim visits. Author Derry Brabbs' previous book, Roads to Santiago, focused exclusively on the 'camino' through France and Spain to Santiago de Compostela; Pilgrimage revisits this classic route, and nine other inspirational journeys across Europe. Whether you're truly making a pilgrimage, exploring the world, or simply hiking, Pilgrimage will lead you along deeply historical routes like the 'Jakobsweg' in Germany, between Cologne and Trier. You'll find great walks in Britain and France, like St. Cuthbert's Way which winds around the Scottish Borders to the holy island of Lindisfarne, and the World Heritage Site of Mont-St-Michel built on the tiny island off the coast of Normandy. The most notable addition to the rejuvenated era of pilgrimage is the Via Francigena, now a very well established path through Switzerland and Italy. The Italian section begins on the bleak summit of the Great St Bernard Pass where a hospice still caters to the needs of passing pilgrims before heading down to Rome through some of Italy's most beguiling countryside interspersed with medieval hilltop towns and villages. Astounding photographs combine with an absorbing text that describes the history and key features of each route, as well as brief details of the distances and the number of days it takes to walk, and a list of websites to help plan your journey.

This book presents new translations of a selection of Latin and French pilgrimage texts - and two in Greek - relating to Jerusalem and the Holy Land between the fall of Jerusalem to Saladin in 1187 and the loss of Acre to the Mamluks in 1291. It therefore complements and extends existing studies, which deal with the period from Late Antiquity to Saladin's conquest. Such texts provide a wealth of information not only about the business of pilgrimage itself, but also on church history, topography, architecture and the social and economic conditions prevailing in Palestine in this period. Pilgrimage texts of the 13th century have not previously been studied as a group in this way; and, because the existing editions of them are scattered across a variety of rather obscure publications, they tend to be under-utilized by historians, despite their considerable interest. For instance, they are often more original than the texts of the 12th century, representing first-hand accounts of travellers rather than simple reworkings of older texts. Taken together, they document the changes that occurred in the pattern of pilgrimage after the fall of Jerusalem in 1187, during its brief reoccupation by the Franks between 1229 and 1244, and during the period from 1260 onwards when the Mamluks gradually took military control of the whole country. In the 1250s-60s, for example, because of the difficulties faced by pilgrims in reaching Jerusalem itself, there developed an alternative set of holy sites offering indulgences in Acre. The bringing of Transjordan, southern Palestine and Sinai under Ayyubid and, later, Mamluk control also encouraged the development of the pilgrimage to St Catherine's monastery on Mount Sinai in this period. The translations are accompanied by explanatory footnotes and preceded by an introduction, which discusses the development of Holy Land pilgrimage in this period and the context, dating and composition of the texts themselves. The book concludes with a comprehensive list of sources and a detailed index.
