~~Dispensationalism is a kind of framework for history that is organized around seven dispensations—seven orders or administrations. Particular to this framework is the eschatological position known as "premillennial dispensationalism" which holds that Christ will return prior to a literal one-thousand-year reign on earth.~~

~~The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book—perhaps his greatest work—is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetical chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.~~

~~The book does not contain the opinions of the Author, nor quotations from other writers, but is based solely on the Scriptures, chapter and verse being given for every statement. The book is "Timely" in these days of Apostasy and denial of THE FAITH. -from the Foreword The Reverend Clarence Larkin was one of the most widely influential Christian fundamentalists of the early twentieth century, and his writings remain key to appreciating the conservative religious thought that today enjoys widespread popularity. This 1920 work outlines the fundamental doctrines of Christianity as revealed by the Bible, from "The Mystery of Godliness" to "Election and Free-will." Numerous charts and illustrations explain "The Five Great World-Wide Kingdoms," "The Threefold Nature of Man," "The Satanic Trinity," and more. Also available from Cosimo Classics: Larkin's The Spirit World, The Second Coming of Christ, and The Book of Revelation.~~

This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. ~~This superb and time-tested analysis and study by Clarence Larkin examines in detail, and explains with the truest clarity, the Biblical Book of Daniel. Having spent his life in service of God as a minister, and much of his time deeply vested in contemplation and study of the Biblical canon, Clarence Larkin placed himself in a prime position to evaluate and explain some of the more complex passages of the scripture. Naturally blessed with a readable and flowing style of writing, Larkin enlightened countless thousands of Christians during his lengthy career. In this book, we receive a passage-by-passage, line-by-line examination of the Book of Daniel. No detail or phrase is passed over, and the reader may be assured that Larkin pays the closest attention in explaining this important yet difficult to understand part of the Holy Bible. Larkin was moved to author this and several other books after receiving word from his flock and fellow believers of the difficulties they had reading and interpreting such texts. The chapters are divided into the major episodes underpinning the Book of Daniel. Events such as the dream of Nebuchadnezzar and the calamitous Fall of Babylon receive close narration, while the famous image of Daniel in the Lion's Den benefits greatly from the clarifying commentary of Larkin. This edition of Larkin's Book of Daniel includes all of the intricate charts and illustrations for which the author became famous. Several of these are very large and detailed images with large, small and tiny instances of text, and it is doubtless necessary to use a magnifying glass to fully scrutinize them. Vital to Larkin's explanations, they set out visually the principles that this book exists to clarify for the reader.~~

~~Clarence Larkin was a famous Baptist pastor during the late 1800s and early 1900s. As a Bible teacher and author, he is mostly known for his works on Dispensationalism, which considers biblical history, as well as the future of all creation and mankind's role on earth, as divided into "ages." (Within this context, "ages" are specific periods of time that God has set in motion that will ultimately reach their climatic end at the Great White Throne judgment—the moment when God will judge everybody that has ever lived according to their works, followed by their destiny in Heaven or Hell.) Larkin's books, charts, and wood cuts greatly influenced Protestant conservatives in early America as well as Church evangelism throughout the twentieth century.Larkin was born in 1850 and became a Christian at the age of nineteen. He later joined the Episcopal Church but eventually left that denomination to become a Baptist pastor. He espoused many ideas from premillennialist theology, which was rapidly growing in popularity among early evangelicals at the time, drawn from major prophetic concepts shared by C.I. Scofield, William Eugene Blackstone, and John Nelson Darby. Larkin created original, detailed, prophetical wall charts to use while teaching his convictions around these ideas from the pulpit. This unique approach quickly became so popular that articles based on his teachings were published in the Sunday School Times, and soon, invitations for him to explain his ideas involving eschatology—the future and end-times prophecy—began coming in from across America and around the world.Starting in 1918, he published his first masterpiece, Dispensational Truth (or God's Plan and Purpose in the Ages), but high demand for his works quickly resulted in the additional titles, Rightly Dividing the Word of Truth and The Book of Daniel. The brilliance of these books now constitute this first-ever single volume: DISPENSATIONS: The Clarence Larking Collection.~~

~~The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.~~
