He reads romances voraciously and has a running commentary in his mind about how life mirrors various romantic tropes. In his case, he considers himself Too Stupid To Live... the hero/heroine who always opens the door in the haunted house, chases the dog in the storm, explores the basement when there are mysterious noises...you get the idea.

This trope is, surprisingly, note Truth in Television, as many people can attest to, although we won't. Compare Artificial Stupidity, the video game equivalent of this which is a result of AI rather than the script being against them. Contrast Death by Pragmatism and Let's Get Dangerous!. Not to be confused with Evilutionary
