Transport Phenomena, Revised 2nd Edition: Bird, R. Byron ...
Transport Phenomena is the first textbook about transport
phenomena. It is specifically designed for chemical
engineering students. The first edition was published in
1960, two years after having been preliminarily published
under the title Notes on Transport Phenomena based on
mimeographed notes prepared for a chemical engineering
course taught at the University of Wisconsin–Madison
during the academic year 1957-1958. The second edition
was published in August 2001. A revised second ...
